A Message from Ted Rood:

"Yikes! These "rates worsen" alerts before lunch are getting old!"

ALERT: Negative Reprices Coming into Play

Its that time of morning again. The Fannie Mae 3.5 coupon just touched the lows of the day at 102-21. This will start to place lenders that issued rate sheets early to consider a reprice for the worse. The trend of the morning is not our friend. Lenders that haven't released rate sheets yet might delay.

Responsive service, experienced expertise

I've dedicated my 26 year mortgage career to client education, superior service, and honest answers. The lending landscape has changed dramatically the past few years, and continues to do so. My job is to ensure client partners' loans close quickly, without surprises, and I take that responsibility very seriously. Referrals are a responsibility I appreciate; they're a measure of trust, and that trust must be earned every day, on every referral.
