ALERT: Fed Hikes; First Move Is Weaker

If you haven't already seen a reprice or a lock desk shut down, the first move following the FOMC Announcement is weaker for bond markets. It's not a runaway sell-off just yet. Markets are digesting. 10's only up to 2.317. More to follow.

Responsive service, experienced expertise

I've dedicated my 22 year mortgage career to client education, superior service, and honest answers. The lending landscape has changed dramatically the past few years, and continues to do so. My job is to ensure client partners' loans close quickly, without surprises, and I take that responsibility very seriously. Referrals are a responsibility I appreciate; they're a measure of trust, and that trust must be earned every day, on every referral.
