### A Message from Ted Rood:

"Nice to see housing values continue to rise. Of course, with supply falling well below demand in most markets, it's no surprise to see home prices marching upward!"

## Responsive service, experienced expertise

I've dedicated my 22 year mortgage career to client education, superior service, and honest answers. The lending landscape has changed dramatically the past few years, and continues to do so. My job is to ensure client partners' loans close quickly, without surprises, and I take that responsibility very seriously. Referrals are a responsibility I appreciate; they're a measure of trust, and that trust must be earned every day, on every referral.
