A Message from Ted Rood:

"We were due for some NK bond-market tension, and got it today!"

UPDATE: Bonds Rally on North Korea Headlines

- NORTH KOREAN FOREIGN MINISTER SAYS TRUMP'S COMMENTS OVER THE WEEKEND WERE CLEARLY A DECLARATION OF WAR

This newswire looks to be behind a fairly abrupt "risk-off" trade just now. Stocks, bond yields, and \$/Yen all fell quickly after the wire came out.

10yr yields are now down 2.5bps on the day to 2.229%. Fannie 3.5 MBS are up nearly an eighth of a point at 103-11 (103.344).

Responsive service, experienced expertise

I've dedicated my 22 year mortgage career to client education, superior service, and honest answers. The lending landscape has changed dramatically the past few years, and continues to do so. My job is to ensure client partners' loans close quickly, without surprises, and I take that responsibility very seriously. Referrals are a responsibility I appreciate; they're a measure of trust, and that trust must be earned every day, on every referral.
