"Great news for borrowers with larger loan sizes!"

UPDATE: Conforming Loan Limit Increased from $424k to $453k

Because it's mandated by the Housing and economic Recovery Act, we knew that conforming loan limits would be going up this year, and that the FHFA tends to announce the change following its 3rd quarter home price data. We just didn't know exactly what the increase would be.

Following today's announcement of a 6.8% annual increase (Q3 vs Q3), FHFA has upped the conforming loan limits as follows:

- **$453,100** (vs $424,100 in 2017)
- High cost area ceiling: $679,650

Responsive service, experienced expertise

I've dedicated my 26 year mortgage career to client education, superior service, and honest answers. The lending landscape has changed dramatically the past few years, and continues to do so. My job is to ensure client partners' loans close quickly, without surprises, and I take that responsibility very seriously. Referrals are a responsibility I appreciate; they're a measure of trust, and that trust must be earned every day, on every referral.
